MAN DOWN!

Hungry Hungry Hippo

Bloke survives being munched by two-tonne tearaway

HIPPOS kill more people than any other animal in Africa. But why? Maybe because they're sensitive about their WEIGHT and fly off the handle a bit too easily.

Or maybe it's just that they don't like sharing their POND, the greedy pricks.

But we reckon it's mostly because they're CUNTS.

Local bloke Mathew Wanjiuku felt the full force of hippo cuntiness when this lard-arse *Hippopotamus amphibious* got stuck into him near Lake Naivasha, in Kenya.

Matt was having a bit of a fish when the fat fucker charged him, then proceeded to GNAW on him for 10 minutes before Matt's mates scared it away by banging loudly on a sheet of roofing metal with some sticks.

Pretty fucken amazingly, Matt was right as rain after a couple of weeks in hossie.

The hippo had a headache from all the racket, apparently.

Rachel's rack rules

SHE once nearly broke the internet using just her boobs, a red bikini top and her own funky dance moves.

But that stray minute of BOUNCING BOOBITUDE earned Rachel Williams a gazillion hits on YouTube, with fans remixing the footage so it went for over an hour. Not that you'd NEED that long, if you know what we mean.

If you believe the Pommy model – and we DO – it was all just a HAPPY ACCIDENT.

"It was just a bit of fun playing around with the camera during a shoot!" she SPOONTS.

"And then it went crazy and everyone loved it! Someone even made a 10 hour version! It's been great for me, though.

RS!
FREE-RANGE

World BEATERS!

"I always have requests for more bouncing boobs."

We can see why. It's the sort of thing that tends to stick in a bloke's mind.

Rachel's H-cup hooters are so beaut it's hard to believe she was given shit at school for being so blessed.

So, cleverly working on the principle that if life gives you big, bouncy lemons, you make lots of lemonade, Rachel launched herself into the modelling scene and soon the world was her LOBSTER.

"Once I get into the sexy underwear and have all my hair and make-up done it puts me in a completely different frame of mind – like I could take over the world!"

Mission accomplished, we reckon. Picture

CAYMAN ISLANDS!

You don't often see Seppo rootress Faye Reagan at the beach due to her MEGA RANGA-NESS. Here her mate Klaudia keeps a look-out for stray BITS OF SUN.

MOSCOW!

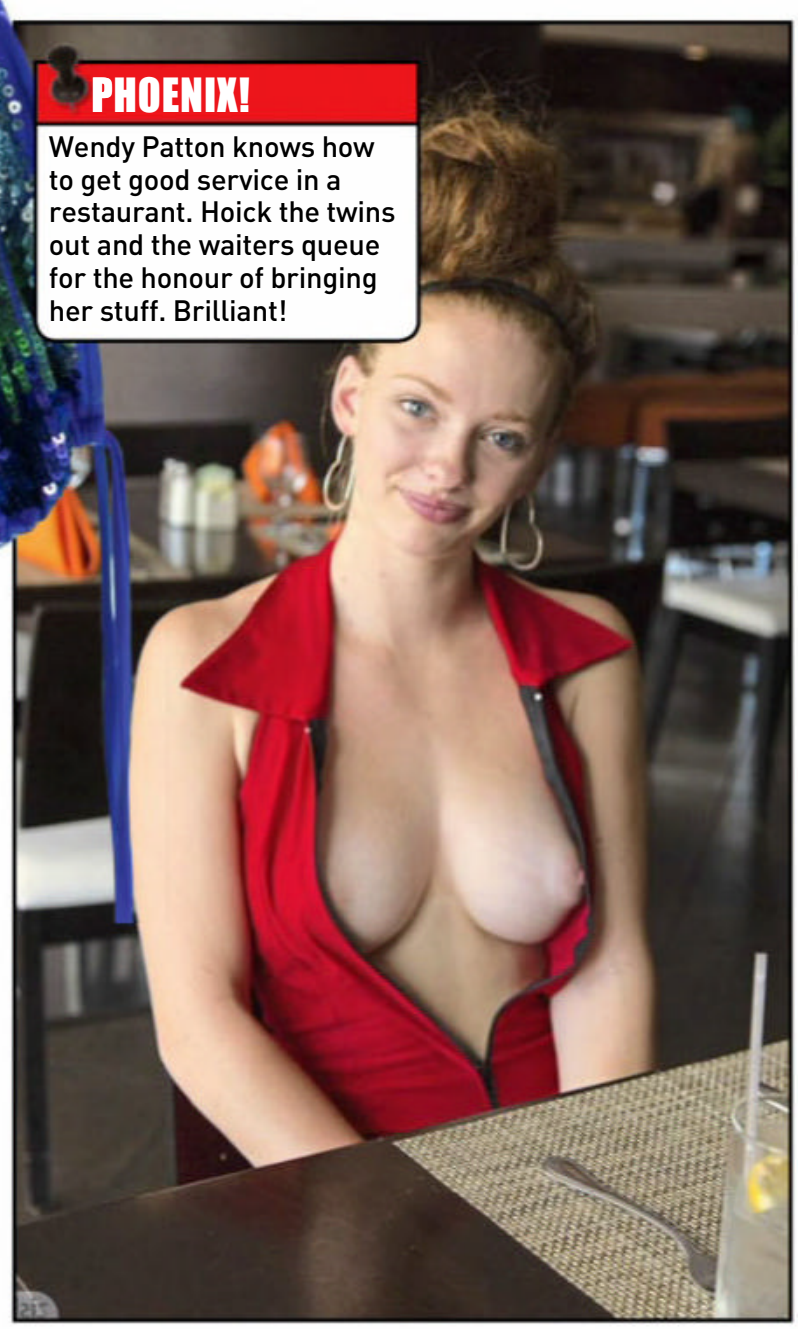
Freya Von Doom, 147cm, and Lena Anderson, 183cm, are both seppo porn stars, but they don't see eye to eye. More like eye to TIT. Might be better if they lie down...

DALLAS!

Like any busy young woman, Canadian model Kimmy Makenzie doesn't always find time to do laundry, and so must select her cleanest pair of dirty knickers.

MENORCA!

Lacey Banghard loves swimming but hates stray jellyfish brushing against her. So she keeps her bikini top handy to wack 'em if they get cheeky.



PHOENIX!

Wendy Patton knows how to get good service in a restaurant. Hoick the twins out and the waiters queue for the honour of bringing her stuff. Brilliant!

BARBADOS!

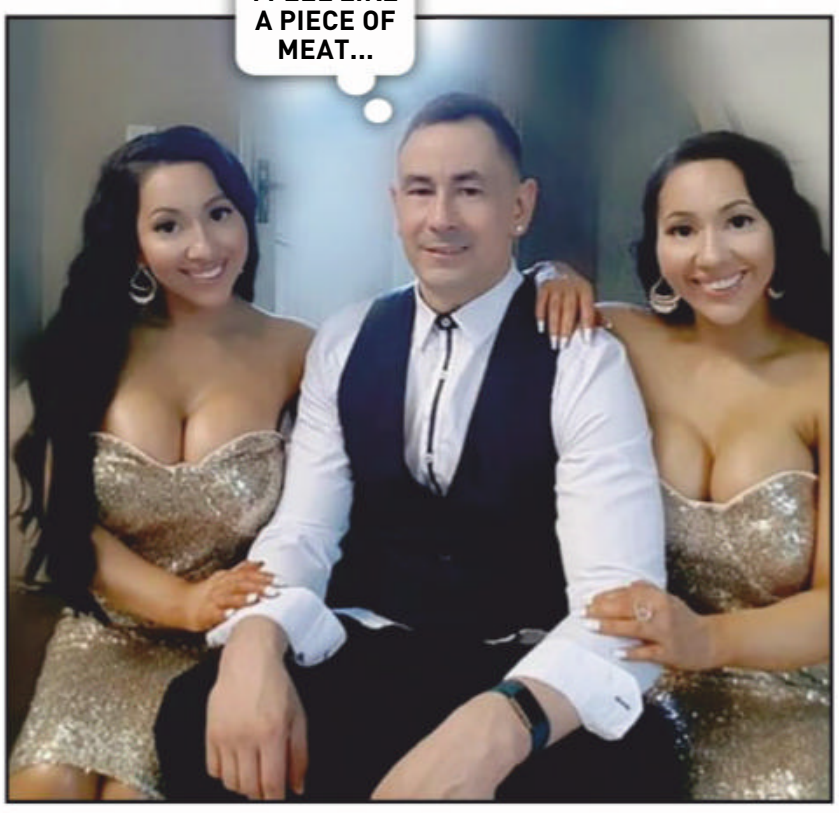
Being Poms, Rosie Jones and Sabine haven't a clue what to do with boogie boards. Back to the bar!

NEWS FLASH

THIS SHIT REALLY HAPPENED!

PORN AGAIN

YUDY Pineda, the Columbian ex-novice nun who chucked it in to be a nudie webcam model, has gone the whole enchilada and made her first porno. Yudy stars in a religious-themed FLOG FILLUM made by big Seppo porno studio Bang Bros, released just a week ago. Having spent eight years training to be a nun, then a couple of years diddling herself on camera, she reckoned God, being a TOP BLOKE, will understand.

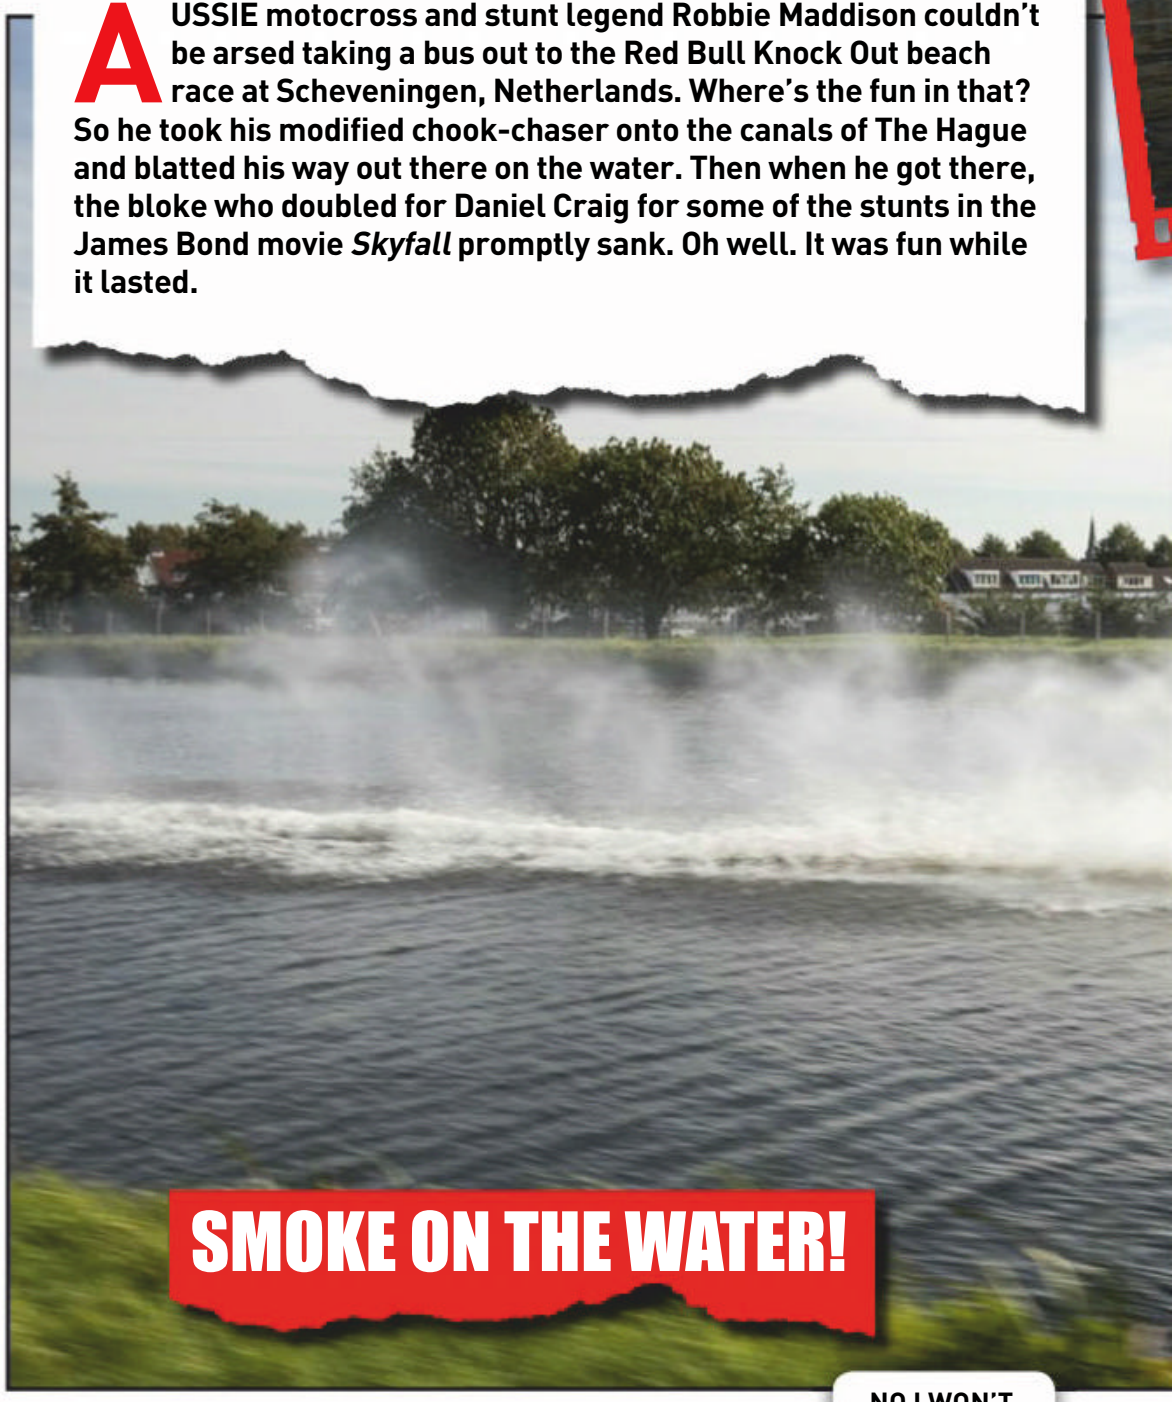


TWO-FOR-ONE

AUSSIE identical twins Anna and Lucy DeCinque are planning to get pregnant at the same time, by the same bloke, and then pop out a bub each. The wacky pair from Perth, who are rarely apart, finish each other's sentences, and describe themselves as "the world's most identical twins" are both hooked up with the same guy, Ben Byrne, who they reckon they'd both marry if it wasn't, y'know, illegal. They announced their pregnancy plans on Fox News, as you do.

FAR CANAL!

AUSSIE motocross and stunt legend Robbie Maddison couldn't be arsed taking a bus out to the Red Bull Knock Out beach race at Scheveningen, Netherlands. Where's the fun in that? So he took his modified chook-chaser onto the canals of The Hague and blatted his way out there on the water. Then when he got there, the bloke who doubled for Daniel Craig for some of the stunts in the James Bond movie *Skyfall* promptly sank. Oh well. It was fun while it lasted.



HE'S ONE OF US!

THIS poor Indian bloke Anshu Kumar has a bunch of conditions so rare even his doctors don't know what they are. Anshu, 21, from Jagatpur, cops it from his neighbours who call him "the Alien" and "ET", but all he wants is for some cluey medico to give him a diagnosis and hopefully start fixing him up. "I look different and nobody likes me because of this.
I want to get normal so that I can marry." We're with ya, Anshu!

WHAT A MUG

THE bloke who tried to rob rising Brazilian UFC star Polyana Viana on the streets of Rio de Janeiro with a CARDBOARD GUN will be re-thinking his career. When he ordered Polyana to hand over her phone, she punched and kicked him in the head, then held him in a choke hold until the cops arrived. She beat him up so bad he had to be taken to hossie before being charged.

DICK OF A DOG

EVERYONE'S had a neighbour with a dog that's a bit of a dick, but what breed do ya reckon this penis-shaped pooch is? Is it a Cocker Spaniel? A trouser terrier? A labra-DOODLE maybe? We're not sure, but apparently if you pat it too hard it throws up on you, then curls up and goes to sleep.

FIRED UP!

THERE are people who will tell you that Summernats ain't what it used to be, and in a way they're right. If you went to Summernats 32 to witness CHEST PUPPIES in their NATURAL HABITAT, you would have come away sorely disappointed.

Ya see, the Nats is more FAMILY FRIENDLY these days, and while that means FREE-RANGE FUNBAGS are now an endangered species at Australia's biggest horsepower party, the automotive-related shenanigans are now BEAUTER THAN EVER.

Summernats 32 saw the world record for the most cars simultaneously doing a burnout SMASHED TO PIECES. Other additions to the program this year included Skid Row, which meant entrants were free to drop a skid in a designated area anytime they fucken well wanted.

The inaugural MULLET COMP was a runaway success, the lawnmower racing looked like the most fun you could have with your pants on, and we saw a twin-turbo big-block Commodore make over 3000 FUCKEN HORSEPOWER on the dyno!

Genuine Black Onyx

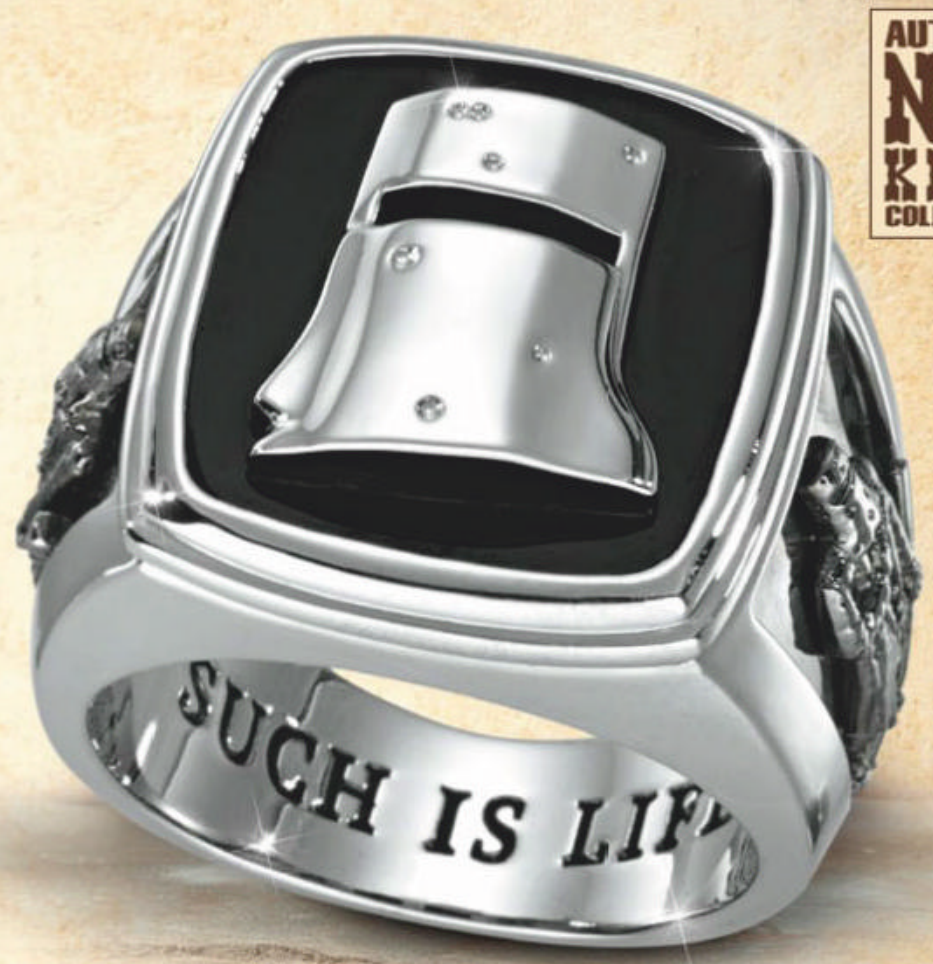
Engraved with "Such Is Life"

Across the centuries, beyond the reach of the law, Ned Kelly calls to the rebel in every Aussie bloke who has ever been wronged. His fight: to uphold all that is true in his own heart. His enemy: a corrupt system determined to put him down. His weapon: the "Ned Kelly Such is Life Ring", a potent symbol imbued with the spirit of the Iron Warrior himself!



Each side is flanked by a dramatic sculpture of Ned Kelly in his famous armour

Precision crafted with a wealth of Ned Kelly icons

Expertly crafted by hand and plated in gleaming sterling silver, the ring features a magnificent sculptural rendering of Kelly's iconic helmet – bullet indentations and all. The helmet rises proudly up from a bed of pure black onyx, bringing a dramatically defiant edge to the exclusive design.

Each side is flanked by a full body sculpture of Kelly in his famous armour, guns at the ready to take on any man foolish enough to get in his way. The inner band is engraved with *'Such is Life'*, the last words Kelly spoke before the hangman's noose finished what the police could not.

BEING a batshit crazy terrorist and blowing yourself to smithereens isn't the only way to meet virgin sheilas. Fuck no!

Bugger growing an itchy beard and moving to the sodding DESERT, just head to a certain Maccas in Melbourne and chances are 19-year-old Kleo will be there to take your order.

"I've just never met a guy I'm that interested in. I'm waiting for the right guy and the right moment. Of course previous boyfriends wanted to, but it just never felt right. I'm excited to see what it feels like, though."

A STRAIGHT tree and a gay tree lived next to each other for 60 years. The straight tree was always making fun of the gay tree. A MAN takes his wife to the stock show. As they start heading down the alley that has all the bulls, they come up to the first bull's stall and the sign in the stall read: "This bull mated 50 times last year."

The wife turns to her husband and says, "He mated 50 times in a year. You could learn from him."

They proceed to the next bull and his sign read, "This bull mated 65 times last year."

The wife turns to her husband and says, "This one mated 65 times last year. That is over five times a month! You can learn from this one, too."

They proceeded to the last bull whose sign said, "This bull mated 365 times last year."

The wife's mouth drops open and she says, "WOW! This one mated 365 times last year. That's ONCE A DAY! You could really learn from this one."

The man turns to his wife and says, "Go and ask his owner if it was 365 times with the same cow."

CINDERELLA was a nymphomaniac who always screwed around. One day her fairy godmother appeared and told her that if she didn't stop rooting every male in sight, she wouldn't be allowed to go to the ball to meet Prince Charming.

However, the next day the fairy godmother found Cinderella in bed with the chimney sweep.

"That's the last straw!" said the fairy godmother. "Instead of barring you from the ball altogether, I'll let you go – but I'll do something horrible that'll stop you screwing the prince." With that, she waved her magic wand and turned Cinderella's pussy into a pumpkin.

A few nights later, Cinderella returned from the ball with a big smile on her face and a new boyfriend.

"Hello fairy godmother," she said. "Meet Peter Peter."

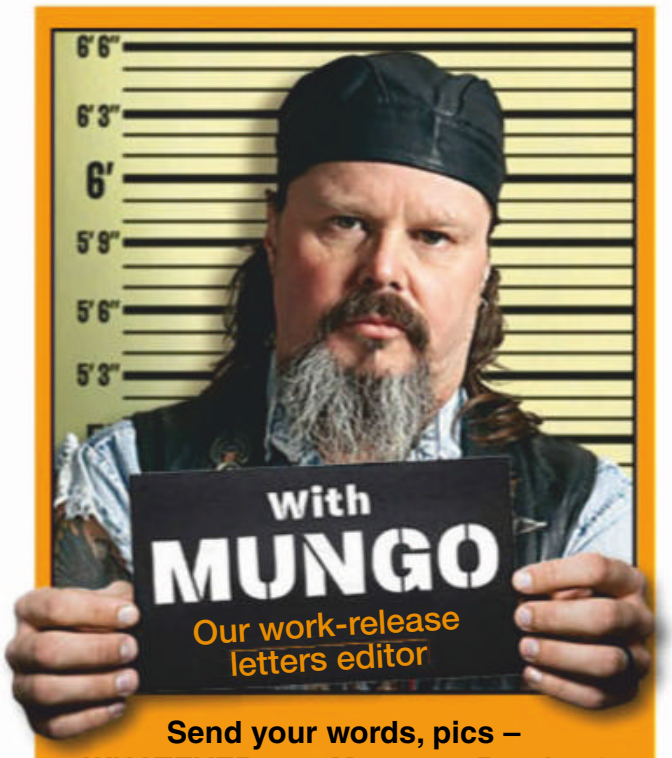
GO AHEAD, HAVE A MOAN!



Send your words, pics – WHATEVER – to Mungo at Readers' World c/o THE PICTURE, PO Box 4088, Sydney, NSW 2000, or email the big fella at mungo@bauer-media.com.au

MUNGO'S ON TWITTER

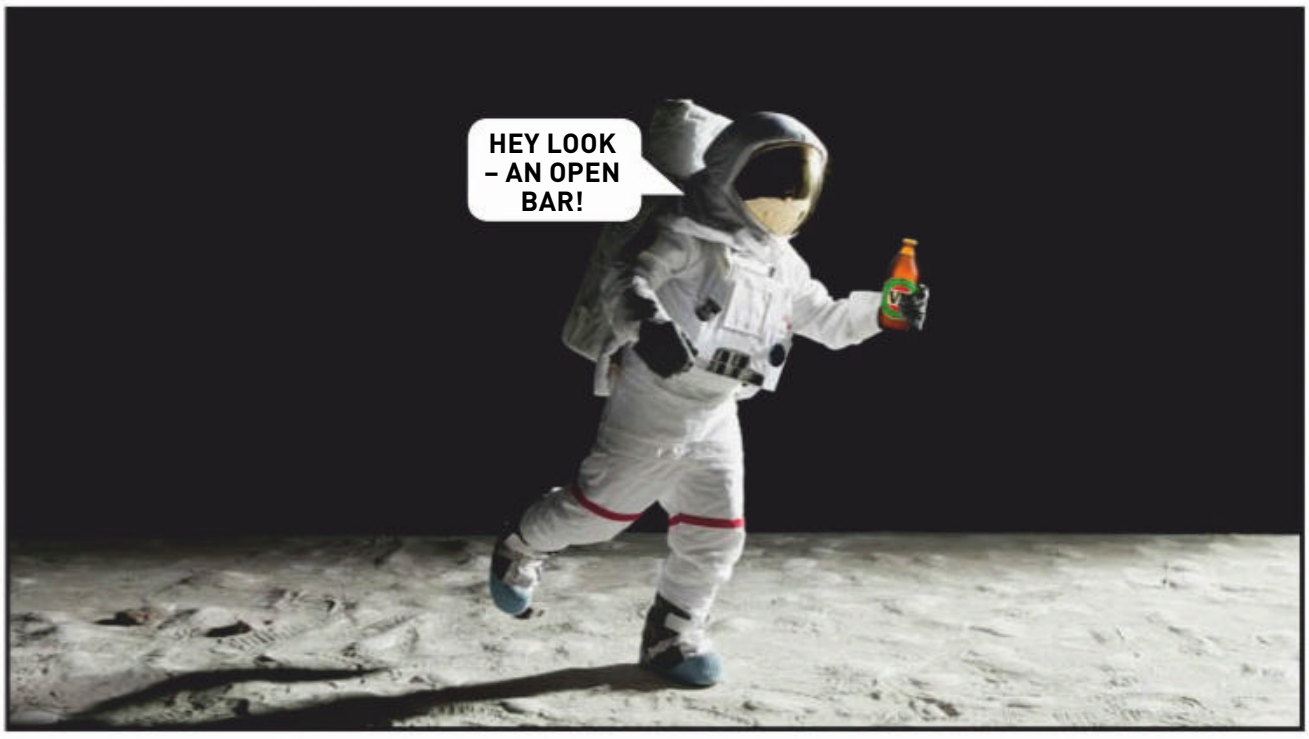
That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: https://twitter.com/ThePictureMungo

SPOT THE DIFFERENCE

MUNGO, what do ya reckon about Pauline Hanson's idea of making the unemployed in Queensland catch cane toads to get the dole? Is she fucked in the head or can it work?

M.K., IPSWICH, QLD

MUNGO SAYS: No reason it couldn't be both, mate. Pauline generally makes about as much sense as a roof rack on a skateboard, and she is, as you say, fucked in the head, but what if it worked? Wouldn't we all look stupid then. And I kinda like the idea of her holding back the hordes of canies with her army of unemployed. Gotta be a movie in it.



PLANET BEER

MUNGO, you were saying the other week that the best beer is always the first beer of a session, well how about the unexpected beer, that one you have when you were just having a go-along day minding your own business and someone suddenly and without warning puts a coldie in your hand. It's great because you don't see it coming, and then suddenly, beer time. It's beaut.

STITZ, ROCKHAMPTON, QLD

MUNGO SAYS: I like the planet you're living on, Stitzy. Any place where people just give you beer right out of the blue is a place I wanna live. Tell me, do pies fall from the sky in this magical land of yours? Sign me up.

NEW BEST MATEY KATIE

I REALLY lost it over 'Katie from Adelaide', the blonde Homie in #1473 (thanks for all the extra girls, by the way). She doesn't look like anyone famous or anything, just that she's the sort of babe I love – not skinny and bony, but well-built with a nice arse and real tits. I'd eat my dinner off her arse any time!

L.M., EASTLAKES, NSW

MUNGO SAYS: I know what you mean. All her cooking talk made me hungry, too. She's one sexy woman. Now bring on the food!

EVERY LETTER PRINTED WINS $50

LETTER WITH A PICTURE WINS $100

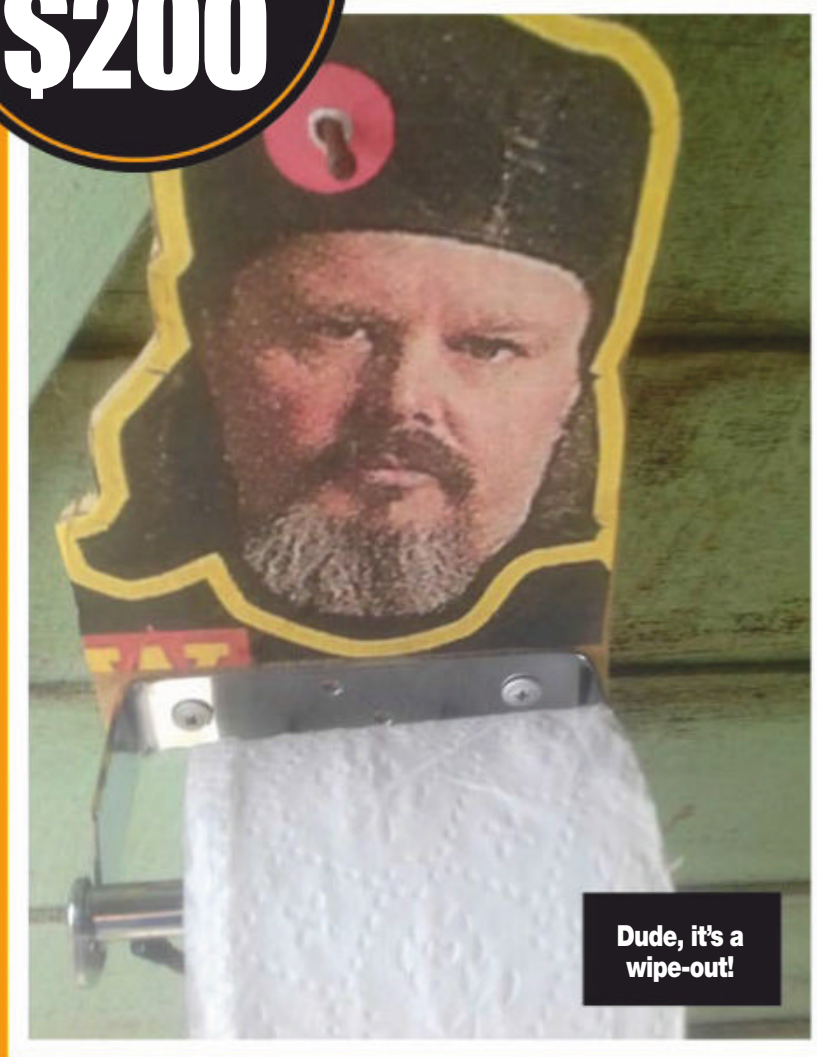
LETTER OF THE WEEK WINS $200

SHIT EH!

MUNGO toilet roll holders can be installed by any clown with half a brain and a hammer. I want to flog them on the net but I need your permission and a better photo. If the answer's no, tell me to fuck off and find some other cunt's head.

K.R., MT MORGAN, QLD

MUNGO SAYS: I can't say I'm not flattered, K.R. The idea that everyone will be thinking of me as they lay a big steenky log around the bowl is humbling, although I would've preferred you bung my mug on one of those franger dispensing machines instead. Y'know – for inspiration. But by all means, go ahead. No skin off my bum.



Dude, it's a wipe-out!

LEZ BE FRIENDS

THE letter from M.M. of Grafton in the last issue (#1473) about her being a lezzo and jilling off to Kylie Page made me realise that at least champion lezzos and us straight blokes have something in common – we both dig the chicks. So why all the hate? Maybe we could share a beer and talk about which hottie we'd most like to bang. It'd be a bonding thing. So over to you, ladies. Name the pub – I'll be there.

B.K., GRANVILLE, NSW

MUNGO SAYS: Well put, B.K. Let's not dwell on what divides us – let's concentrate on what can bring us, as Australians, closer together. And if that's beer, tits and smoo, well, what more could you ask for? OK, some rum and a few chips maybe, but we can sort out the details later.

MUNGO WANTS TO KNOW...

What food goes best with rooting? Mango ice cream? Crunchy Nut Cornflakes? Chicken vindaloo? Let me know your thoughts, and win.

THE BIG DON'T ARGUE

IN CASE you thought all honey badgers were curly-headed, rugby-playing cretins who can't make up their mind which hottie to pick even when presented with a fucken BUFFET of 'em, here's a real one in action. Your actual honey badger is a ferocious furry little fucker about the size of a cocker spaniel that'll attack anything that gives it the shits, which is most things, and refuses to back down even when it appears it's about to have its arse handed to it. This means it generally does alright in a fight, but sometimes they come off second best, like when this scrappy cunt decided to pick a blue with an oryx in the Etosha National Park in Namibia. Sick of having the snarling snotrag tryna chew its hooves off, the oryx used its MASSIVE HORNS (beg your pardon, ladies) to hoick it about six metres into the air. Even then the honey badger had a couple more goes, before scuttling back to its burrow to repeatedly PUNCH ITSELF IN THE FACE.

HE'S GOT THE HORN!

GET UP YA SOOK!

...AND DON'T BE A WUSS

OUCH FACTOR 98%

WHO:
Chinese factory worker 'Mr Zhou'

WHAT:
Skewered with steel spikes by angry robot

WHERE:
Hunan Province, China

BEWARE of the robots – they're coming to get ya!

This Chinese bloke got the message loud and clear when a robot at the porcelain factory where he was working wacked him with 10 metal rods, approximately 30cm long by 1.5cm thick, in the shoulder, chest and arm.

It was a little more than the factory first-aid kit could cope with, so they zapped him off to hospital where they couldn't even get him on the x-ray machine due to all the HEAVY METAL hangin' out of him.

But they got stuck in anyway, and after operating all night the surgeons reckon Mr Zhou could already move his arm.

Although they did say his golf game was likely to be a bit shabby for a while.

So we're glad you're coming good, Mr Zhou. Now, GET UP YA SOOK and get some beers in. ■ Picture

IN BED WITH KIKI

100% uncensored sex advice from Australia's hottest porn star!

FUCK TALES

HEY Kiki, are you still getting heaps of roots despite not doing porn anymore? Are you a mad rooter?

L.O., BANKSTOWN, NSW

KIKI SAYS: ***I think I'm getting even more roots these days than I was when I was making porn full-time! I have so much knowledge to share, I take it upon myself to recruit new guys and teach them a thing or two – for the greater pleasure of Australian women of course! My favourite sex position varies depending on what you look like... missionary if you're a stud.***

OLD GOLD

HEY Kiki, I'm 23-years-old and love rooting old sheilas. My oldest was this woman who is a mate of a friend's Mum. She was 58 and fucken filthy – she taught me a thing or two. My mate's reckon I'm gross for fucking much older women, but I don't reckon there's anything wrong with a bit of the vintage vadge. Do you like fucking old men or young guys? Or both?

MR WONDERFUL, VIA EMAIL

KIKI SAYS: ***Ah, so you're the Aussie version of Finch from American Pie! Good for you, banging Stiffler's mum. Older women need a good dickin' too and I'm glad you're giving it to these cougars. I reckon you're a legend for making their day! My general rule of thumb is: the older they are, the less drama you deal with.***

"I'M GETTING MORE ROOTS THESE DAYS!"

STAR STRUCK

OI KIKI, was listening to the radio the other day and heard this song that was like 'Kiki, do ya love me?' – do you know the one? It's by that black guy with a funny haircut. Is he singing about you? Didja root him and now he's got the love bug hard? Who's the most famous person you've fucked?

RYAN, VIA EMAIL

KIKI SAYS: ***Do you think you asked enough questions?! No, I didn't root Drake because rap guys aren't my thing, but just about everyone has serenaded me with that song. And I would love to tell you the most famous guy I slept with but the legal team at THE PICTURE said I can't. He was terrible.***

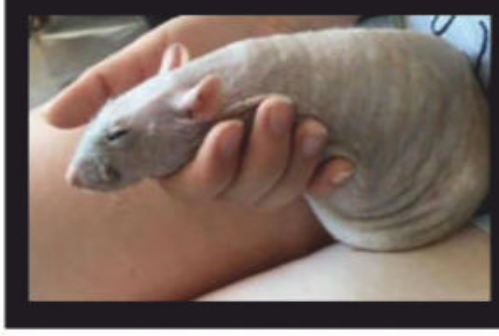
MARRY ME!

HEY KIKI. Just felt like saying thank you very much for getting your hot rig out for us and answering our questions. I would love to marry you someday. I want to know where is the coolest place you've had sex?

PISTOL PETE, VIA EMAIL

KIKI SAYS: ***Awww, you're making my pussy blush! Giving advice to you guys while I'm naked is literally a dream job. The coolest place I've had sex is in the tray of a Toyota Hilux whilst on the highway. The driver had no idea, and the drivers behind him gave a little honk every time they saw my bare bum.***

KIKI'S CONFESSION



"Guys are always sending me photos of their dicks and they want to know if they've got what it takes to be in porn movies. It's not really about your cock, it's more about your confidence. If you can fly over to Hollywood, strip naked and get it up when they tell you to... then you might just make it."

KIKI WANTS TO HEAR FROM YOU!

Do you have a question only a SEXPERT like Kiki can answer? Do you want some advice on women in general? Or do you just want to ask about her XXX-rated sex life? YEAH? Then write to In Bed With Kiki, c/o THE PICTURE, GPO Box 5201, Sydney, NSW 2000, or send an email to picture@bauer-media.com.au. She's waiting!

DREAM GIRL!

Alisa will cause more stiffies than rigor mortis

MORE OF ALISA'S PERFECT PAIR!

JANUARY 21, 2019 was an historic day for Aussie blokes. That's when this issue of THE PICTURE went on sale – and blokes across the country got their first look at Alisa's gravity-defying tits and PERFECTLY FORMED arse. None of our cocks have been the same since.

The 21-year-old student has taken to nude modelling like Dougie Walters to a cold beer and was more than happy to answer some of our PROBING questions.

Hi Alisa. Can you give us a brief history of your tits?

"They started growing quite late. I wasn't an early developer, but now they look really good. My friends are always squeezing them and I like getting them out."

We are very grateful. Do THE TWINS have names?

"Not yet. Maybe a reader can come up with something funny and send it in."

They must stop traffic. And by that we mean AIR TRAFFIC.

"Yes, they get noticed a bit. Every time I go out shopping guys try to talk to me. All ages and all

nationalities."

We're not surprised. Are you single at the moment?

"Yes, and I don't think I'll be in another relationship for a while. My ex was pretty controlling."

What an UTTER PRICK.

"I want to get out there and experiment with different people. I'm willing to try anything!"

What's the best way for blokes to please you?

"The most important thing is you can't stop till I've come – even if you come first. And spend some time fingering me before you stick it in."

Jeez, that sounds like a lot of work...

"And I'd love to have a threesome. I was interested in having one with my ex, but he didn't want to share."

What else does 2019 have in stall for you?

"I just want to have a lot of fun now that I'm single. And I want to do some more nude shoots like this."

Are you keen to shoot with us again?

"I'd love to. Being naked in a magazine is a lot of fun."

We speak for every bloke when we say CAN'T FUCKEN WAIT. ■ Picture

MY PUBLIC FUCK

READER'S ROOTS FROM AROUND OZ

USING THE FACILITIES

AS A young woman with an itchy smoo I wasn't averse to taking a fuck wherever I could find it. It didn't matter where, it only mattered when – now.

I've had heaps of great fucks by the side of the road in full view of traffic, in city parks at lunchtime and at nude beaches, but one of my favourites was in a pub toilet.

I'd just met this bloke and we were with a group of friends at the pub when we got the urge. I was rubbing his cock through his jeans and he was fingering me through my panties. We were embarrassing everybody anyway, so when he leaned over and whispered in my ear: "Let's go fuck in the mens," I immediately squeaked back "Yes!" and off we went.

Once we were in there he didn't waste any time. He pulled my pants down and rubbed the head of his dick up and down my slit until it was wet enough for him to slide his prick in.

He was as hard as a rock and pretty much lifted me off the ground with his dick. I was hanging on to the washbasin grinding my wet cunt back onto his cock, gripping and releasing it with my muscles so we could both come quickly. But he had other ideas. He kept pulling his cock right out of me and only very slowly pushing it back in, leaving me begging for him to shove it in hard.

I was screaming at him, "Fuck me! Fuck me fucken hard!" when I looked in the mirror and saw one of his mates walk in behind us.

But he just asked to borrow a twenny, and my fella took out his wallet and gave it to him without even missing a stroke.

P.K., DEE WHY, NSW

CAMP IT UP

THERE'S nothing like a bit of nature to get my missus fired up to fuck. When we go camping Julie loves to cop cock right out in the open, so we're always popular around nudist campsites 'cos she loves to put on a show.

Sometimes she's so excited she starts wanking in the car as we're driving. We've tried her giving me road head, but she's so good at it I'm in danger of crashing so I have to wait until we get there to get any relief.

We get to the camping area and set up our tent. Julie will be naked straight away and everyone will be getting nice looks up her smoo as she bends over fixing the tent and setting our stuff up, then as soon as we're ready she lays down and starts playing with herself.

Julie will casually lay back on a deck chair and finger herself close to orgasm then ease off, doing this two or three times as people start to watch her.

Then she'll beckon me over, so I shuffle across with my cock ready to stick in her mouth as she continues to frig herself, with two fingers, then with three.

She'll slurp on my balls and get me full-tilt then pull me round between her legs to fuck her, while our audience enjoys the view. We have this extra wide, heavy-duty deck chair that takes quite a pounding, so I can lift Julie's legs up around my waist and really give it to her.

Everyone can see us and soon some of the blokes are wanking, some of the women are fingering themselves, and here and there other couples start to fuck.

Soon there's a chain reaction, and if it works out right the whole campsite will be fucking outside their tents and getting off on watching everyone else.

WAX ON, WAX OFF

IT WAS a challenge I couldn't turn down – could me and my girlfriend squeeze in a decent fuck in the time it takes to go through a carwash?

It was her idea, and I knew she was serious about it because she was playing with one of her big, rubbery nipples as she said it. And that always indicates she means business.

But first we had to get organised. We'd have to take my Commodore rather than her Yaris because we'd definitely need the extra room.

Then I picked the longest wash they had – the "Executive Plus Shine 'n' Wax" – to give us maximum time.

And just to get a head start I had Maz get in the backseat to be ready for me when I drove in.

As soon as the washer was squirting foam all over the car, I was over into the back seat and tearing off my boardies. Maz had already whipped off her shorts and got herself good and wet, so all I had to do was crawl between her legs and start fucking her.

It was a bit of a distraction when the big brushes started scrubbing the car, but I settled into the same rhythm and soon we were humming along with the vibrations.

We'd built up to a frenzy when the spray started washing off the foam and I could feel my balls about to explode. She flooded the backseat with her girl splooge as the car was rinsed clean, then we knew we only had a minute or two for the hot wax and dry so Maz quickly whirled around and sucked my cock dry.

She just managed to gulp my load down before we had to try and get our clothes back on. As it was, I had to drive out of the carwash with just a T-shirt and one sock on.

AMY // 25

BRISBANE, QLD

Some people piss and moan about being single, but not 25-year-old Amy. She wouldn't have it any other way. "I'm way too wild for just one guy," she laughed. ***We're guessing you're not hard up for a root, then.*** "Not at all. I always find a guy when I need one. Right now I'm seeing a few different guys in my area." ***Tell us about your best root?*** "It was after a wild night out in Brisbane with a big group of Israeli soldiers. That's all I can really say about that, but it was crazy." ***What's something about you we mightn't guess?*** "I love anal. I never used to like it, but now it's something I want to do all the time. The best feeling is playing with my clit while he's doing that." ***We'll take your word for it.***

HAVE YOU EVER MIXED SEX AND FOOD? "No, not that I can think of. I could be interested, though."

SIENNA // 26

"Nothing is unusual to me anymore," says 26-year-old escort Sienna. "I wouldn't call any of my clients' requests strange. I appreciate people are into different things." ***Away from work, what are your turn-ons?*** "I like when someone knows how to take the lead and dominate me. I always take control at work, so when I'm sleeping with someone in my personal life I like them to take the lead." ***You get a choice for a date: romantic dinner, night clubbing or afternoon in beer garden. Which would you take?*** "I like romantic dinners at a nice restaurant, I love good food and champagne and it's just really intimate." ***How could someone impress you enough to take you to this nice restaurant?*** "Someone who has personality and is funny is sexy to me."

HAVE YOU EVER MIXED SEX AND FOOD?

"When a girl I work with put cherries inside of me then ate them out."

ABBY // 18

STRATHFIELD, NSW

ISSUE 1470

I can't believe someone born in 2000 is in THE PICTURE. Have you ever had something up both those lovely holes of yours at the one time?
COLONEL, BANGALOW NSW

ABBY SAYS: ***"Hi Colonel from Bangalow. I've had a dick and a finger inside them. I think I'd like to do it with a dick and a dildo in each. They could swap around."***

ABIGAIL // 20

MERMAID WATERS, QLD

ISSUE 1470

If you did go to an orgy, would you participate or just sit back, watch and play with yourself? And if you participated, would you play with guys or girls?
EVAN, OATLEY NSW

ABIGAIL SAYS: ***"Thanks for the question, Evan. Interesting one! I would participate, depending on the participants. But probably just with the girls to tease the men."***

ELLE // 25

MELBOURNE, VIC

This is harder to believe than a politician's promise, but 25-year-old Elle is single. ***What are you looking for in a fella?*** "Somebody who is easy going, likes animals and loves to have sex a lot." ***You've got a great rig. What's your secret?*** "I do a lot of boxing and running as exercise. I guess I'm a bit of a tomboy in some ways." ***We're punching a hole in our grundies. Are you into ROUGH STUFF in the bedroom, too?*** "I'm definitely not into the really romantic stuff. I like it hard and fast and I love switching up sex positions a lot." ***Where's the best place to find a root?*** "The gym. There's always plenty of fit guys and girls who are up for some fun. I think I'm going to go there later today." ***You've given us one Elle of a stiffy.***

HAVE YOU EVER MIXED SEX AND FOOD?

"Yep. I've used carrots, cucumbers and bananas."

NIKA // 19

MANLY, NSW

Nineteen-year-old stripper Nika likes her job for one reason: "I love getting naked." ***That's great news. Where else do you lose your undies?*** "The beach. I like the full body tan and go whenever it is sunny. I'm not really the shy type." ***Ever had sex on the beach?*** "A few months back. Sand went everywhere! I'm never doing that again." ***Where would you like to do it?*** "I'd actually like to do it on camera. I want to make a porno, I just need to find the right people to help me do it." ***We're listening…*** "Taking on two or three guys would be fun. Do you know anybody who'd be interested?" ***We'll ask around.*** **HAVE YOU EVER MIXED SEX AND FOOD?** "I used a cucumber as a sex toy once. It's not as good as the real thing."

$200 BEAUT BUM!

MERCEDES // 22

Bartender and barista Mercedes, 22, "quite regularly" films herself jilling off. ***Can you send us proof?*** "I actually have nothing at hand at the moment." ***At hand, snigger. How did this excellent pastime start?*** "Well, it started as cheeky vids for the other half, but after starting I've considered doing video and cam work." ***What else have you and the other half filmed?*** "Hours and hours of fun." ***We've got time to sit through it.***

HAVE YOU EVER MIXED SEX AND FOOD?

Only once. I was with my first boyfriend, and we decided to give the whipped-cream-and-honey fantasy a go. Whipped cream on his nips, a trail of honey down his body. It wasn't very sexy, I licked about a third of the way down and gagged. I couldn't taste the honey, I could just taste, I dunno, skin? It was gross and I haven't tried it again since. I might give it another crack."

BYRON BAY, NSW

German backpacker Hannah is on the east coast of Godzone as you read this. If you're lucky, you might even run into the 24-year-old. ***How do you find Aussie blokes?*** "They're not shy, like the German men. I like that. I've had a great time with a few of them." ***Your best rooting experience happened when…*** "I first arrived in Sydney a few weeks back. I ended up doing it in the back of a car near a beach. I guess I was pretty drunk." ***What do you like in the cot?*** "I like a guy to take control. I like my hair pulled and my arse to be smacked. I love it when a guy says dirty things to me, too." ***SCHNELL! And what's the best way to pick you up?*** "Just come and tell me that you are interested."

HAVE YOU EVER MIXED SEX AND FOOD? "I once put cream around

VIANA // 28

GOLD COAST, QLD

The hottest photo on 28-year-old escort and gamer Viana's phone is "my boobs with cum on them". ***Sounds a masterpiece.*** "I take a lot of naughty selfies." ***What gets you off about your self-photography?*** "I like the way it makes me feel about myself. And if it gets a good reaction from the recipient, I enjoy that I have made them excited as well." ***We will send our mobile numbers through. Does your work involve much kinky stuff?*** "I have done a lot of fetish work. The kinkiest thing would probably be trampling and foot worship." ***Sounds exhausting to us.*** "It is a lot of fun, but I definitely need to be the one in control."

HAVE YOU EVER MIXED SEX AND FOOD? "I have done the standard whipped cream for oral, but beside that it is usually just pizza after a hot session."

Something passionate and exciting. I'm too scared to see couples because I'm worried they would have an argument! They tend to set lots of rules for each other which can get messy and often one person wants it way more than the other." ***What about more than one bloke?*** "I've definitely had my fair share of threesomes with two males and have also had a session with four guys. It was a lot more hilarious than sexy but lots of fun." ***If you're involved, it'd always be a little sexy.*** **HAVE YOU EVER MIXED SEX AND FOOD?** "I'm a big fan of ordering pizza and eating it in bed with someone after a lazy bed day full of sex and lounging around."

KAT // 33

NORTH MELBOURNE, VIC

Unemployed cabinetmaker Kat, 33, has a pretty beaut idea of the ideal dirty weekend. “Somewhere where there are no neighbours or good sound-proofing. It would be me and my six or seven favourite women.” ***What’s the biggest group sex romp you’ve had?*** “Do swingers’ parties count?” ***Do they ever.*** “I think it may have been six. I’ve been swinging about a year now.” ***What are some highlights?*** “My favourite party had me in a pile of women for a lost amount of time.” ***Sounds a top night. So you’ve adapted to the lifestyle?*** “It’s a great atmosphere and I can safely be as much of an exhibitionist as I want to.”

HAVE YOU EVER MIXED SEX AND FOOD? “I’m a fan of edible body paint, but food and sex sounds messy. I’ve been showered with warm coffee at a swingers’ party, though.”

MARCH 2012

SCARLET WARD // 21

GEELONG, VIC

This 21-year-old adrenaline junkie is into loads of white powder. Not Peruvian marching powder, but. ***Have you ridden your skis or snowboard naked?*** "I once skied in a bikini for a dare." ***Were your high beams poking through?*** "They were." ***Have you ever picked up an Austrian ski instructor?*** "An Austrian ski instructor? Um, sure – why not?" ***What do you like in bed?*** "I like to sleep naked in a waterbed. I like to move it around rapidly." ***What's the tattoo all about?*** "I designed it myself. It means more that way." ***It's in a pretty private spot. Do you show it off much?*** "Sometimes at parties when I've had enough to drink." ***How much is enough?*** "About three or four pints."

"I once skied in a bikini for a dare"

"Why not show off my boobs?"

SARA // 26

ADELAIDE, SA

Grumpy midgets can fuck right off, as far as 26-year-old Sara is concerned. "I don't like bad teeth, short men or angriness," she informed us. The only ranga in a family of nine kids, Sara has had a crack at women's tennis, too, if you know what we mean... NUDGE, NUDGE. "I've had sex with a woman just once – well, a couple of times with the same woman. I did like it. It was different – soft and sweet." ***Has your smoo been involved in any group antics?*** "I've had a couple of threesomes. Both times it was a two-girl, one-guy thing. It was cool. It was fun." ***Do your boobs get much attention?*** "I paid good money for them, why not show them off?" ***We can't think of a single good reason.***

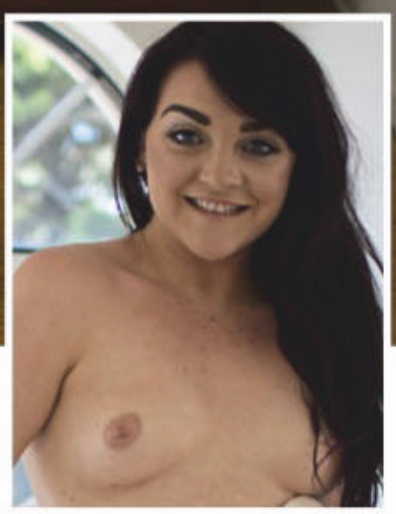
CRYSTAL // 25

WEST END, QLD

This 25-year-old air hostess reckons riding a Harley naked "feels exhilarating and free". ***Is this your first naked ride?*** "Yes, I was loving it." ***Ever driven or been a passenger in a car while naked?*** "Sort of. I've been driven in a car wearing nothing but diamantes. I must say it's much more exciting than wearing clothes or being straight-up nude. I was a bedazzled nudist." ***What about sex in cars?*** "I'm an 'in the moment' kind of girl, so sometimes in a car is the way to go." ***Planes, trains or buses?*** "I still have planes to check off the list. But there is a thrill when you are stuck at the back of a bus and the chemistry is there. Once you get away with a little, you just can't resist but see how much further you can go and still get away with it."

HAVE YOU EVER MIXED SEX AND FOOD? "All the time. Nothing like a little cream-and-berry-covered canvas."



ELLE // 29

MELBOURNE, VIC

Thinking about being a homie? This 29-year-old make-up artist gives it a ringing endorsement. "Posing nude at first was nerve-racking but then it felt amazing. I felt liberated and so free. It was on my bucket list. I would love to shoot naked again in the future; it was so liberating." ***Anything else on that list?*** "I've always wanted to have sex on a car as well in public." ***What about sex on camera?*** "I've done that with an ex, but I deleted it after we broke up." ***Booooo.*** "The last thing I need is a video on a porn site." ***Where else do you like to show off your body?*** "The shower is a favourite spot: every girl's secret selfie place."

HAVE YOU EVER MIXED SEX AND FOOD? "I have mixed sex and food a couple of times just for fun. Chocolate is a fave."

KAIRA // 27 & SKYE // 26

SYDNEY, NSW

Skye, 26, and Kaira, 27, have different views on how close nude girls need to get. **Skye:** "I love how soft and curvy women are. I once was one of four in a queen bed. We all went out for a couple of drinks, one thing led to another and we all ended up naked in my bed." ***Can you beat that?*** **Kaira:** "Well, I'm straight. Sometimes I might have a dream that spending a night with a woman could be actually worth a try." ***Like Skye?*** **Kaira:** "She does have a beautiful face and eyes."

HAVE YOU EVER MIXED SEX AND FOOD?

Kaira: "Honestly, I think that food is best after sex. But some strawberries and cream eaten from someone's body are cool, too." **Skye:** "I hate having crumbs in the bed! I guess the closest would've been licking whipped cream off a guy. I was eating strawberries at the time, too. Actually, that was quite fun."

"I've done something horrible," admits Sarah, 25. ***Ran over your neighbour's dog in your car?*** "I slept with my ex-boyfriend's dad." ***That's one way to get back at your ex. How did that happen?*** "I saw him out one night and he always a nice guy to me, so he was just asking how I was and stuff then before I knew it he was buying me drinks and we ended up going back to his for a nightcap… and yeah. The worst part is that he was a better root than his son!" ***No woman should know that… are ya gunna see him again?*** "Absolutely not. He's texted saying we should meet up and talk about it, but that's not going to happen." ***Wise move, Sarah.*** **HAVE YOU EVER MIXED SEX AND FOOD?** "Yeah, I've done the whipped cream on a cock thing.
